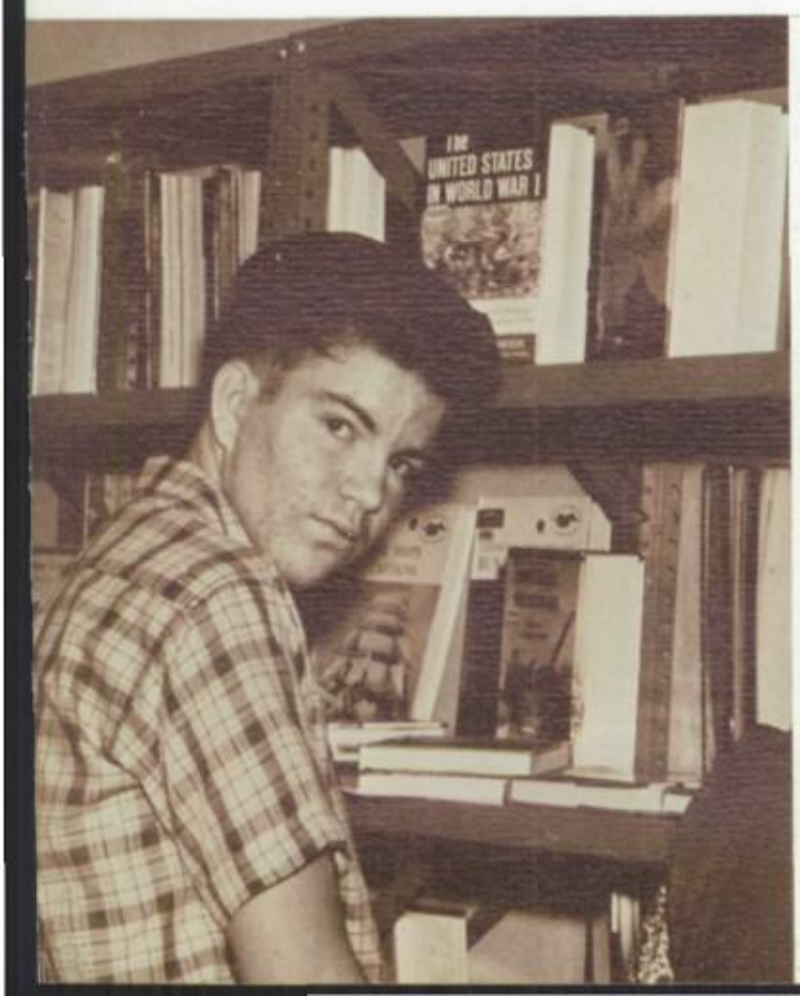
INTRODUCTION



Westwood is growing! From the time that students first entered our classrooms, many important changes and additions have taken place.

At the beginning of last year the campus consisted of five buildings. The library, administration offices, lockers and bookstore were located in the main classroom building. Now we have eight separate buildings plus outside lockers.

The student body has also expanded. We began this year with a new freshman class and the sophomores of last year became the first Junior Class.

It takes countless ingredients to build a high school. The most important one is time. Our "infant" has plenty of time and is well on its way to becoming a full grown high school.

WHAT'S NEW?

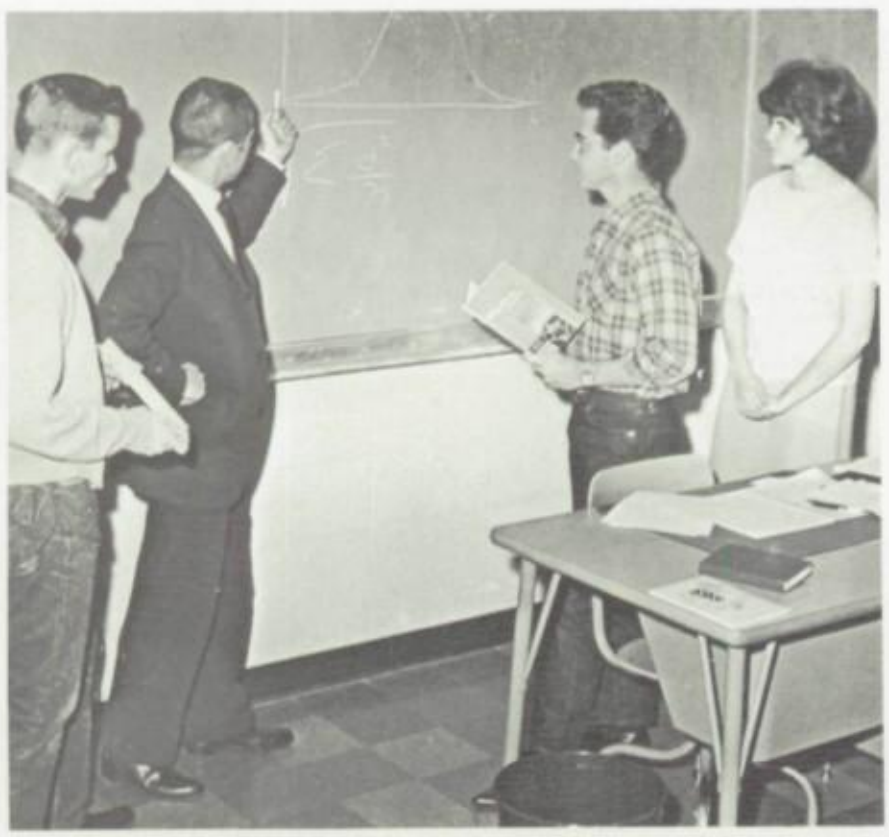
STUDENT COUNCIL members met every morning this year as a regular class in the cafeteria. Their office is in the new administration building.

BOB WRIGHT, one of the many students who drive to school, leads his harem across the new student parking lot to his car.

INCOMING FRESHMEN are proud of their school and its new equipment. Brian Miles, one of the more industrious frosh, keeps the new varsity football uniforms free of dust in his spare time.

STUDENTS BENEFITTED from the bells and public address system installed early this year. Occasionally, under the supervision of Principal E. R. Brimhall, students are allowed to use the system to make important announcements.

NEW AREA called humapah. . . Friday afternoon at 3:15.



STUDENTS CONFER with Mr. Twitchell on troublesome Algebra II problems, one of the courses offered at Westwood for the first time this year.

HUNGRY WARRIORS patronize their new bookstore and refreshment stand for hamburgers, hot dogs, drinks or candy bars.

DEDICATION

The Chieftain staff has choosen to dedicate this yearbook to one of the most outstanding men in his field, Assistant Principal Pat Pomeroy.

Although Mr. Pomeroy was new to Westwood this year, through his work with the students and Student Council, the spirit of school unity and organization class competition has greatly increased. He has given full support to all interschool sports events and participated in the planning of many outstanding social activities.

Before his coming to serve at Westwood Mr. Pomeroy worked for the Mesa school system for only five years, but he has taught almost every subject from typing to AA American problems. He has also spent a year as principal of Longfellow Elementary School. To fill his military obligation Mr. Pomeroy spent four years as a navigator for the United States Air Force. He still is active in the Air National Guard.

MR. POMEROY . . .

. . . as a young musician

. . . as JV football coach at the other high school

. . . as a basketball star for MHS

. . . as a proud papa

. . . as assistant principal

Building plans of our school arranged for its construction in two phases. The second phase of construction included a building to house the administrative offices for the principals, registrars, counselors, and the nurse

MINISTRATION

LESUEUR ELECTED TO BOARD

SCHOOL BOARD: STANDING: Mr. E.C. Hussey, Dr. John Kerr, Mr. Dilworth Brinton, Mr. Wallace LeSueur. SEATED: Dr. Jesse Conant, Dr. Keith Lassen.

School Board members are elected for five-year terms and it is their duty to set policy for the Mesa Public Schools. Dr. Keith Lassen, former board president, did not run for re-election and was replaced by Mr. Wallace LeSueur. Dr. John Kerr is now president and Dr. Jesse Conant is clerk.

The superintendent and his two assistants see that policies of the school board are carried out. Mr. Rulon T. Shepherd has served as superintendent since the spring of 1953. Associate Superintendent Gavin C. Humphrey's main duty is hiring of personnel for the schools. This year Dr. Del Chamberlain served in the new post of assistant superintendent in charge of curriculum.

Dr. Del Chamberlain
Assistant Superintendent

POMEROY NEW VICE PRINCIPAL

E. R. Brimhall
Principal

Mel Sizemore
Assistant Principal

Principal E. R. Brimhall keeps active in his post as chief administrator of Westwood. In addition to his role of general supervision, he is also responsible for budgets, selection of personnel, and improvement of instruction. He is also concerned with student activity, safety, discipline and a myriad of other duties.

Mr. Sizemore's areas of specialization are class scheduling, registration, testing, discipline, instruction, and attendance records. He also finds time to deal with student-teacher relationships, college entrance, scholarships, and teacher supervision.

Mr. Pomeroy, who was new to Westwood this year, was in charge of student activities, student funds, and athletic events.

Assistant Principal

SECRETARIES PLAY VITAL ROLE

Eula Harris

Audrey Morphis

Georgia Wright

Mrs. Eula Harris serves as secretary to Mr. Brimhall and is instrumental in keeping the school machinery functioning. Mrs. Audrey Morphis capably fulfills her duties as secretary to the assistant principals, and Mrs. Georgia Wright devotes her energies as secretary to the counselors.

The attendance office begins its busy day at 8 a. m. with the phones ringing and yesterday's absentees fighting the lines to pick up their admittance slips. Keeping track of 2,000 students is not a simple task, but Westwood's attendance crew does a tremendous job keeping our school records up to date.

COUNSELORS PROVIDE GUIDANCE

Cynthia M. Elson

Larry F. Dixon
Head Counselor

James E. Scoresby
Counselor

The purpose of an organized guidance program is "to assist the individual to an understanding of himself and his environment so that he will select suitable courses of action contributing to his personal, educational, and vocational development and adjustment. "

Counselors collect, organize, and interpret information about students and their opportunities. This includes registration information to assist with schedule planning, college requirements and available scholarships, part time employment, and vocational information.

Counselors also give assistance to teachers, administrators, other school personnel, and parents in matters concerning irregular attendance, subject failures, and social and emotional problems.

SPECIAL SERVICES SALUTED

Mr. Andre Messali, a native of Paris, France, replaced Mr. Orley Bradshaw as bookstore manager this year. Another newcomer to the bookstore staff is Mrs. Ivy Brengle.

LUNCH TIME proves to be a work hour for the bookstore student helpers. Students can purchase sandwiches, cold drinks, ice cream, and candy to provide them with enough energy to complete their school day.

School Nurse Anna Cramer has been in the nursing profession for thirty years and she enjoys her work immensely. About 60 "patients" come to her office each school day. Mrs. Cramer also sponsors the Future Nurses of America and hopes more students will consider nursing as a career.

SCHOOL NURSE Anna Cramer fills out a medical report for one of her "patients."

Shirley Olson
Plant Engineer

Mr. Olson has the complete charge of all electrical and heating facilities for Westwood. It is his task to maintain proper classroom temperatures so students can learn more effectively.

HATS OFF TO SCHOOL HELPERS

Hats off to our helpers! Our custodians are seldom commended for their dedicated job of keeping our campus spic and span. Student litter bugs seem to ignore the fact that these patient and tolerant men have to clean up after them. The yearbook staff salutes our custodial crew for their important contribution to Westwood.

CUSTODIANS: Day Crew; Ray Coombs, Charles Howell, Al Geldarski, Charles White, Fred Lee.

Our school cafeteria staff has the difficult task of serving over 1,000 lunches each day of the week, and these ladies should be commended for their effort to feed our starving warriors with delicious well-balanced meals. Lunches cost 35¢, but students may save by purchasing weekly meal tickets for $1.50.

CUSTODIANS: Night Crew; Dan Haws, W. L. Katlin, Gale Cluff, Delbert Hale, Raymond Nielson.

CAFETERIA WORKERS, FRONT ROW: Odell Keller, manager; Cara O'Harrow, Babbette Land, Georgia Melcher, Leara McCormick, Verna Robertson, Erma Pewitt, Ida Schwitzer, Gladys Wilson. The three one-act plays were performed for the public on Dec. 4, 5, 6 in room A503. Mr. Jay Dean Jones directed the plays with the assistance of his production staff. These were the first dramas ever presented at Westwood. "Sorry, Wrong Number," by Lucille Fletcher, was performed in total darkness. "The Valiant," by Holworthy Hall and Robert Middlemass, is the story of a man who is about to be executed. "The Happy Journey to Camden and Trenton" was written by Thornton Wilder.

THE VALIANT takes place in the warden's office shortly before James Dyke is to be executed. Pictured in the above scene are an attendant (Jim Crosson), Warden Holt (Kent Fortney), and Father Daly (Chip Story).

THE ORCHESTRA and choruses presented a music concert for students Thursday, Jan. 30, in the boys gym.

The "Harmonaires" won the state award for the best high school barber shop quartet. This contest was sponsored by the Society for the Preservation and Enjoyment of Barber Shop Quartet Singing in America. Shown are Bobby Wright, Jim Robson, Daryl Andersen, and Wilford Andersen. All are members of the concert chorus.

FANCY HATS were worn by some of the girls in the concert chorus as they sing, "In Your Easter Bonnet."

Three issues of Westwood's school magazine were published this year containing poetry, stories, and essays written by aspiring student writers. The staff, under the direction of Mr. F. H. Bradshaw, worked on the magazine during regular sixth period class.

Gwen Bingham, editor of the publication, organized assignments and worked along with the writers, artists, and typists to give the student body enjoyable reading material. The printing was done on our press by Mr. Bill Williams. Copies of Tohyah were sold for 25 cents.

STAFF ARTISTS Connie Caroland and Dennis Fjell helped illustrate Tohyah.

ART WORK for the school magazine must be of excellent quality for proper reproduction. Carolyn Sparks and Joyce Kilgore prepare sketches for the December issue.

War Chant, the school newspaper has benefited by a host of changes this year including an enlarged staff, a different printing method, and more frequent publication.

The staff, assisted by reporters from fifth period journalism class, issued editions twice monthly during sixth period. The paper was printed again by the Mesa Tribune which switched from letterpress to offset printing in October.

Vicki Hartzell and Betty Tomkinson were named editors-in-chief, each serving one semester in this position, Miss Sharon Johnson, a new member of the English Department, sponsored the publication, and Mr. Williams was photography advisor.

The Chieftain staff has worked hard to publish a yearbook that students of Westwood can enjoy now and in the years to come. The improvement in this year's issue is credited to added experience and improved facilities. Under the leadership of Mr. Stehr, the sponsor, and Editor Beverly Rollins, the staff has tried to show how our school has grown in the past year.

MEETING DEADLINES means extra effort because late copy could result in delaying shipment of the yearbooks. Staff members slave to meet the first deadline on Dec. 9.

There were many "news" in the field of sports this year. Our status as a "AA" conference school with varsity teams was an outstanding achievement. The new gyms, locker facilities, and uniforms supported morale and encouraged bętter play.

GRIDDERS GRAB FOURTH PLACE

Grid Coaches Roger Hightower, Dave Gates, Edgar C. (Mutt) Ford, and Ladd Mullenaux guided Westwood to a winning season in its first year of varsity competition.

Coach Edgar (Mutt) Ford's Warrior eleven finished its first season of competition in grand style with a record of 6-3-1 and captured fourth place in Division I.

Center Richard Griffin was selected by the ARIZONA REPUBLIC to the third string all-state team. Richard's leadership was an asset to Westwood's fine record.

BEAVERS 24, WARRIORS 7

Coach Ford's eleven felt the bite of Scottsdale's Beavers in its first taste of varsity competition on Sept. 20 at Taylor Field. Mike Chesley racked up Westwood's only counter, which was set up on a pair of passes by quarterback David Cummard to ends Mike Horne and K. C. Abney. Dennis Arnett was named Player of the Week for his fierce defensive play.

WARRIORS 41, COUGARS 14

Westwood bounced back in the second game on Sept. 27 to trample Casa Grande at Jackrabbit Stadium. Five Warriors got into the scoring act led by halfback Bill Bailey, who scored twice. Tackle Wayne Alkire kicked five conversions in six attempts. Richard Griffin won the Player of the Week award by stopping Casa Grande runners cold.

WARRIORS 21, DONS 13

The Warriors played perhaps their best game of the season aginst the Dons on Oct. 4 at Coronado. Dennis Arnett picked up all three of Westwood's touchdowns and Wayne Alkire booted all three conversions. Steve Davis was named winner of the first Tough Boot award, and fullback Jerry Wheeler the Player of the Week.

WARRIORS 0, CRIMS 0

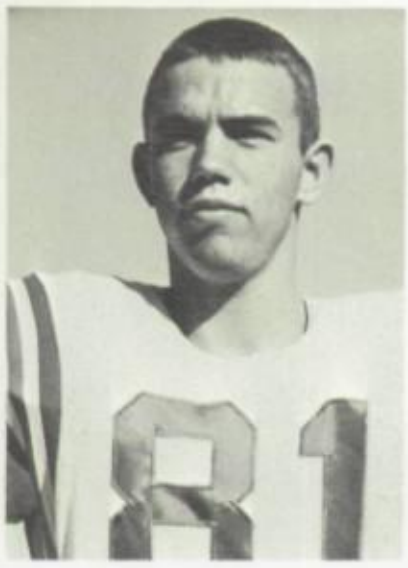
The Warriors traveled to Yuma to seek their third win in a row against the favored Criminals, but settled for a well-earned scoreless deadlock. Tim Hunsaker, Wayne Alkire, Rudy Madueno, and Jerry Wheeler helped contain the Yuma offense. The Crims' only touchdown was called back because of a penalty. Quarterback David Cummard and Richard Griffin won the Player of the Week and Tough Boot awards, respectively.

WARRIORS 13, BUFFALOES 0

Player of the Week Jim Boubelik scored a pair of touchdowns in the first half, and Westwood held on to its lead in the rain-filled second half to grab a division victory at Tempe on Oct. 18. Tackle Tim Hunsaker won the Tough Boot award for his exceptional line play.

WARRIORS 23, KINGS 14

Coach Ford's squad recovered from a Kofa touchdown on the opening kickoff and bounced back to score two TD's in the final period for a hard-fought win over visiting Kofa on Oct. 25. End Tim Hawkins won the Player of the Week award by catching an aerial from quarterback David Cummard for the go-ahead score. Wayne Alkire booted a field goal and two extra points. Sophomore Jim Spratley won the Tough Boot honor with his fine defensive end play.



Mike Horne

Tim Hunsaker

WARRIORS 47, WOLVES 27

Westwood displayed its greatest offensive show of the season against neighboring Chandler on Halloween night. Halfback Rick Watson Blasted through the hosts' line for two long TD runs in the first period to ignite the Warrior fireworks. Watson, who suffered a severe injury during the contest, was voted Player of the Week, and Richard Griffin garnered the Tough Boot award for the second time.

JACKRABBITS 28, WARRIORS 7

Cries of "Beat Mesa" in Westwood's halls were not enough to stop the awesome attack of division champion Mesa High on Nov. 8. A pass from quarterback David Cummard to halfback Bill Bailey reduced the Jackrabbit lead to 14-7 at halftime, but the fired-up Hares scored in every quarter for the victory. Halfback Jay Farnsworth and guard Rudy Madueno were the Player and Tough Boot selections for their gallant efforts in defeat.

TITANS 44, WARRIORS 14

Arcadia returned to its championship form of 1962 by blasting Westwood defenses for a one-sided victory over Coach Ford's charges. Westwood's defensive squad was responsible for both touchdowns. Herb Adams ran back an intercepted pass 21 yards in the third period and K. C. Abney rambled 57 yards with a fumble for the other score. Player of the week was Jim Passey, and Tough Boot Award winner was David Cummard.

Mrs. Gertrude Geldarski is in charge of sports equipment for the girls athletic program. A native of England, Mrs. Geldarski is an expert with the needle and thread, and sewed the uniforms for the pom pon girls. She is also musically inclined having had a lead part in this year's production of "Sweetheart Time."

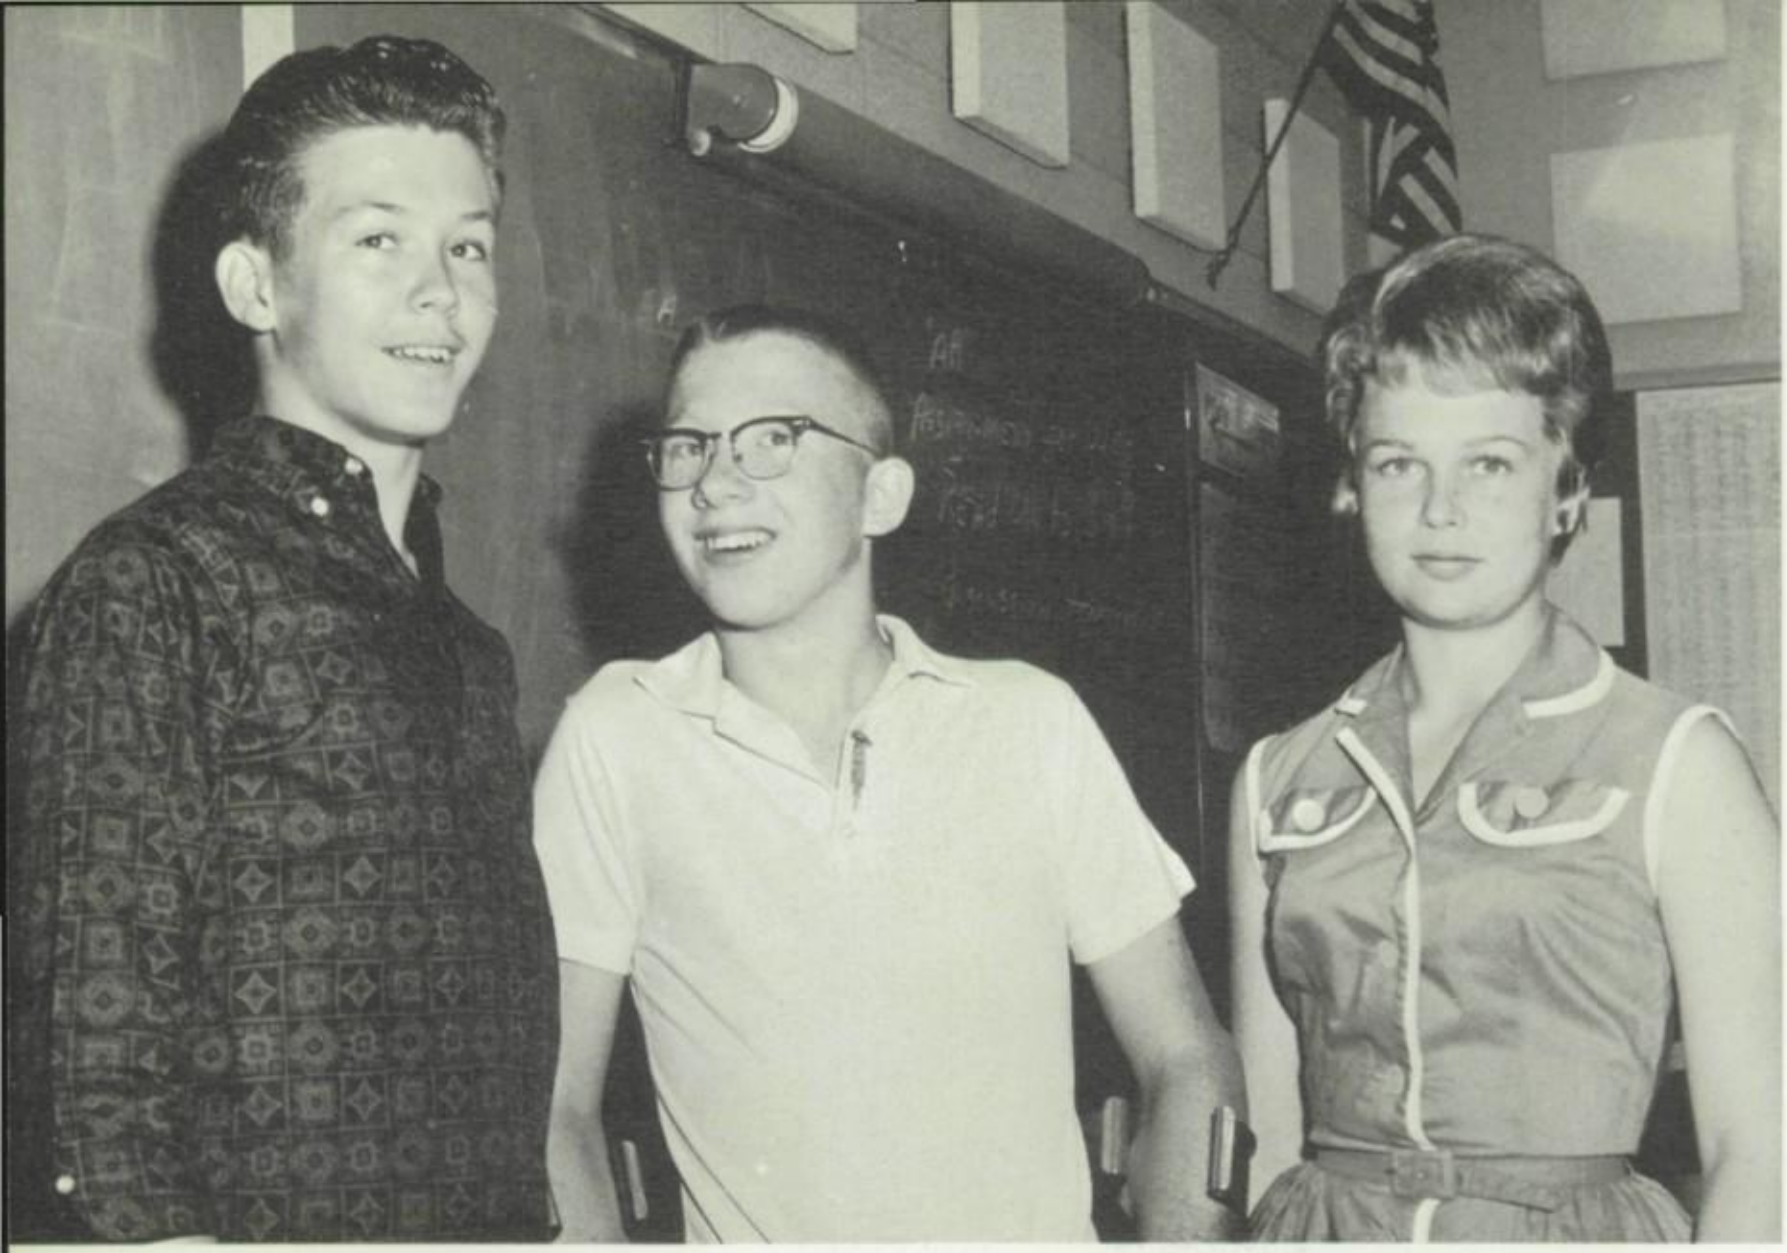
OMORE CLASS



CLASS OFFICERS -- Jack Cummard, president; Robert Clayton, vice-president; Yvonne Morris, secretary.

SOPHS PROGRESS WITH SCHOOL

Sophomore officers have attempted to keep pace with Westwood's progress with the experience gained in the student council class under the guidance of Mr. Pat Pomeroy and Mr. Robert Van Dyne.

One of the first class efforts was the sophomore dance on Oct. 11 in the cafeteria where the students enjoyed dancing, folk singers, root beer, and pretzels. News of the scoreless tie with the favored Yuma football team was announced during the festivities.

The sophs were assigned to handle the annual task of securing the school Christmas Tree. In December, sophomore lumberjacks journeyed to Payson and brought back the Yuletide timber for the decoration party.

MR. BILL FITZGERALD

Sponsoring the sophomores for the second year is Mr. Bill Fitzgerald, head of the Social Studies Department. Mr. Fitzgerald is a graduate of Eastern Kentucky State College and received his master's degree from Arizona State University. A transplant from Mesa High, he is married and has a son, Craig Scott.

Among other additions at Westwood are the outdoor lockers, centrally located and easily accessible to all students. Into these small receptacles were crammed such necessary items as day old chewing gum, dissected frogs and unused magazine subscription forms.

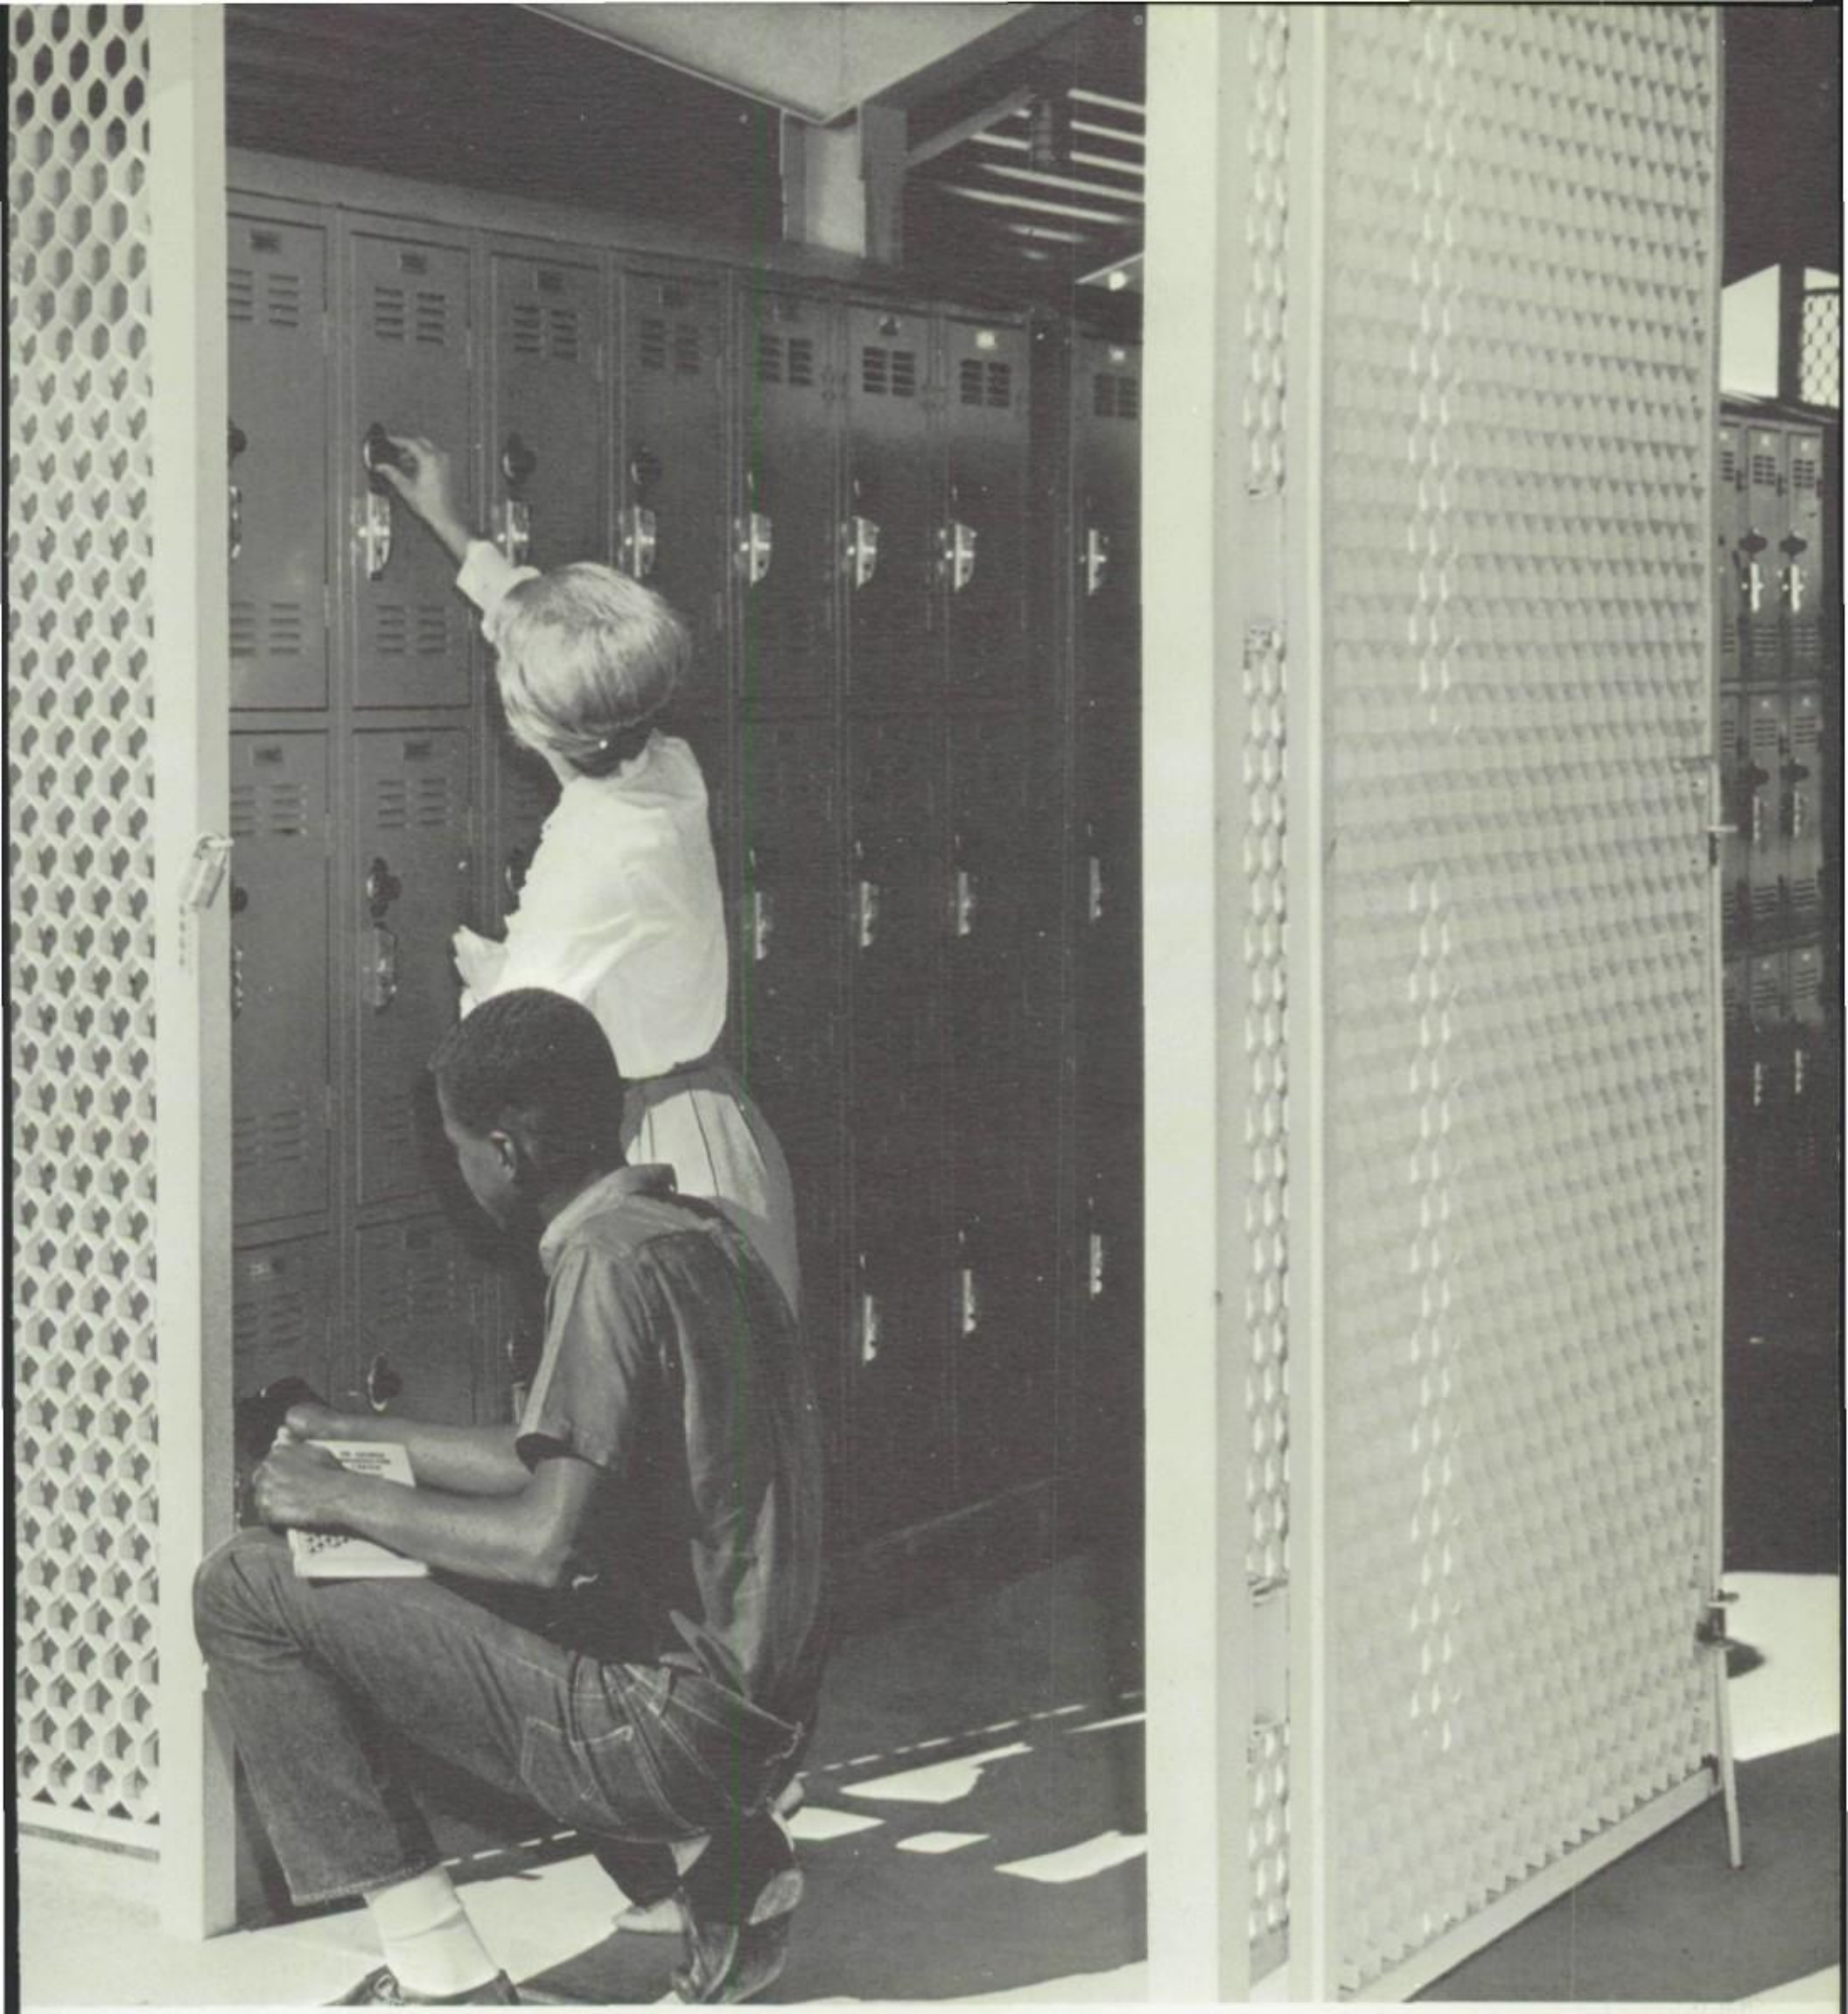
FRESH



MAN CLASS

FRESHMAN OFFICERS--Mike Vann, president; Clark Yancy, vice president; Candy Brown, secretary.

Since each incoming group of freshmen begins the year without class officers, the first job at hand is to hold an election. Candidates began distributing petitions on Sept. 15, and campaigned until Sept. 24. The winners were Mike Vann, president; Clark Yancy, vice-president; and Candy Brown, secretary.

After hard-fought campaigns for class offices, the freshmen directed their energies toward defeating the sophomores and juniors in inter-class competition. Despite finishing third in the all-school pep rally in October, the frosh bounced back to grab second place in the all-important magazine drive. The freshmen led most of the way but bowed to the juniors in the final days of the drive. Freshman salesman sold 47 per cent of their quota to finish slightly ahead of the sophies.

The freshmen had high hopes of winning the class competition by faring well in the remaining events--the class assemblies, all-school party and water carnival.

The sponsor of the Freshman Class for 1963-64 is Mr. Rey Kartchner. He was graduated from Arizona State University in 1962 with a B.A. degree after beginning his college work at Brigham Young University. Mr. Kartchner has a major in social science and a minor in Spanish. He plays the guitar, enjoys hiking with his two sons, and finds time to study German.

FRESHMAN COUNCIL--Front Row: Wilford Anderson, Marsha Anderson, Debbie Dana, Cathy Bethancourt, Terry Helmely, Linda Wright, Peggy Jones, Becky Shearin, Carol Fuhr, Linda Nichols, Dempsey Ford. Back Row: Georgine Nielson, Sam Coleman, Barry Brown, Lee Merritt, Richard Jorgenson, Ray Rokey, Brent Hamblin, Lew Cramer, Danny Harris.

SIGNS BOOST SCHOOL SPIRIT

PAINTING SIGNS prior to athletic contests is indicative of the exceptional school spirit at Westwood. Freshmen Carol Fuhr, Beverly Bowers, Candy Johnson, Christy Garrett, Becky Shearin, Diane Denham, Linda Wright prepare sign before the Kofa football game. The Warriors defeated the visiting Kings, 23-14.

morning as his motorcade moved down the street in Dallas, Texas.

Then the final word came; President John F. Kennedy was dead.

The country was plunged into a month of national mourning. His body lay in state in the White House and then in the Capitol rotunda, and was finally lowered into a grave overlooking the Potomac in Arlington National Cemetery.

YOU BENEFIT EVERY DAY FROM
YOUR MUNICIPALLY-OWNED GAS, WATER & ELECTRIC SYSTEMS

One of the largest--and most essential--businesses in this area is your municipally-owned gas, water, and electric systems. These locally-owned and managed utility systems provide services that you use every day. Your neighbors handle the tough job of keeping these systems in operation night and day ... make the day-to-day decisions that go with managing these vital public services ... keep the records, read the meters, and do the dozens of tasks so essential to efficient operation. With local ownership, control, and management, you and your neighbors get all the "dividends" from your municipally-owned systems--dividends in the form of better service, reasonable rates, and increasing ownership of a growing asset.

ACKNOWLEDGEMENTS

There are many people who have helped to put together this year's edition of the Chieftain. The staff thanks the following people for their assistance: Mr. Charles Bursell, representative of the American Yearbook Company, which printed the book...Mr. Lloyd Tomberlin and Mr. Charles Wiedenmann of School Enterprise Photos who patiently took the class pictures...our co-operative administration and faculty, especially the English Department for its aid with the picture sales...all merchants who purchased ads to help finance the book...Mr. Bill Williams for his photographic skill and patience...Mr. Bill Burchett of American Aviation Associates for providing the plane for the aerial photo above...and finally our sponsor, Mr. Brian Stehr, for his advice and guidance.
